

Lake Templene Property Owners Association, Inc

POST OFFICE BOX 196 . NOTTAWA, MICHIGAN 49075

Rules Governing L.T.P.O.A. Lake Access Properties:

1. On-water parks are to be used by off-lake Lake Templene Association Members in good standing only, following making application for a One-Year Park Use Permit to use a boat and/or lift and/or dock and by securing approval from the appointed LTPOA Board Member administering these applications.
2. All watercraft must be registered to an off-lake LTPOA property owner.
2. No lifts, trailers, piers are allowed to be left on park property for storage without prior LTPOA Board approval.
4. A noise abatement program will be in effect from sunset to sunrise.
5. No open alcohol will be allowed in parks or on docks.
6. No camping allowed.
7. No parking in the park. No parking along road, except for loading and unloading prior to and following boat use. Parking is allowed only at the fenced boat launch area near the Findley Bridge.
8. Failure to comply with any one of the above rules will result in the violator's forfeiture of the Park Use Permit.

All rules and fees are subject to change by the LTPOA Board of Directors, and will be reviewed annually, prior to March by the Board.

Applications for the Park Use Permits must be received on or before March 1 of each year. Current copies of valid boat registrations, insurance certificates and driver's license must accompany the application.

In the event more applications are submitted than space allows, a drawing will be conducted to determine which applications will be accepted to fill spaces available.
